INTRODUCTION TO VANI VILASA

Tungabhadra Developers was established with the benign blessings of Their Holinesses of Sri Sharada Peetham Sringeri. On being showered with their divine blessings, The Tungabhadra Developers proudly presents its landmark project "VANI VILASA."

The sacred Bhoomi Pooja was performed on the highly auspicious occasion of Vijayadashami day of 2025, the day as ordained by Sri Sannidhanam of Sri Sharada Peetham. The momentous unveiling of VANI VILASA was subsequently graced by the glorious, august, and divine presence of Sri Sannidhanam, bestowing spirited sanctity to the venture.

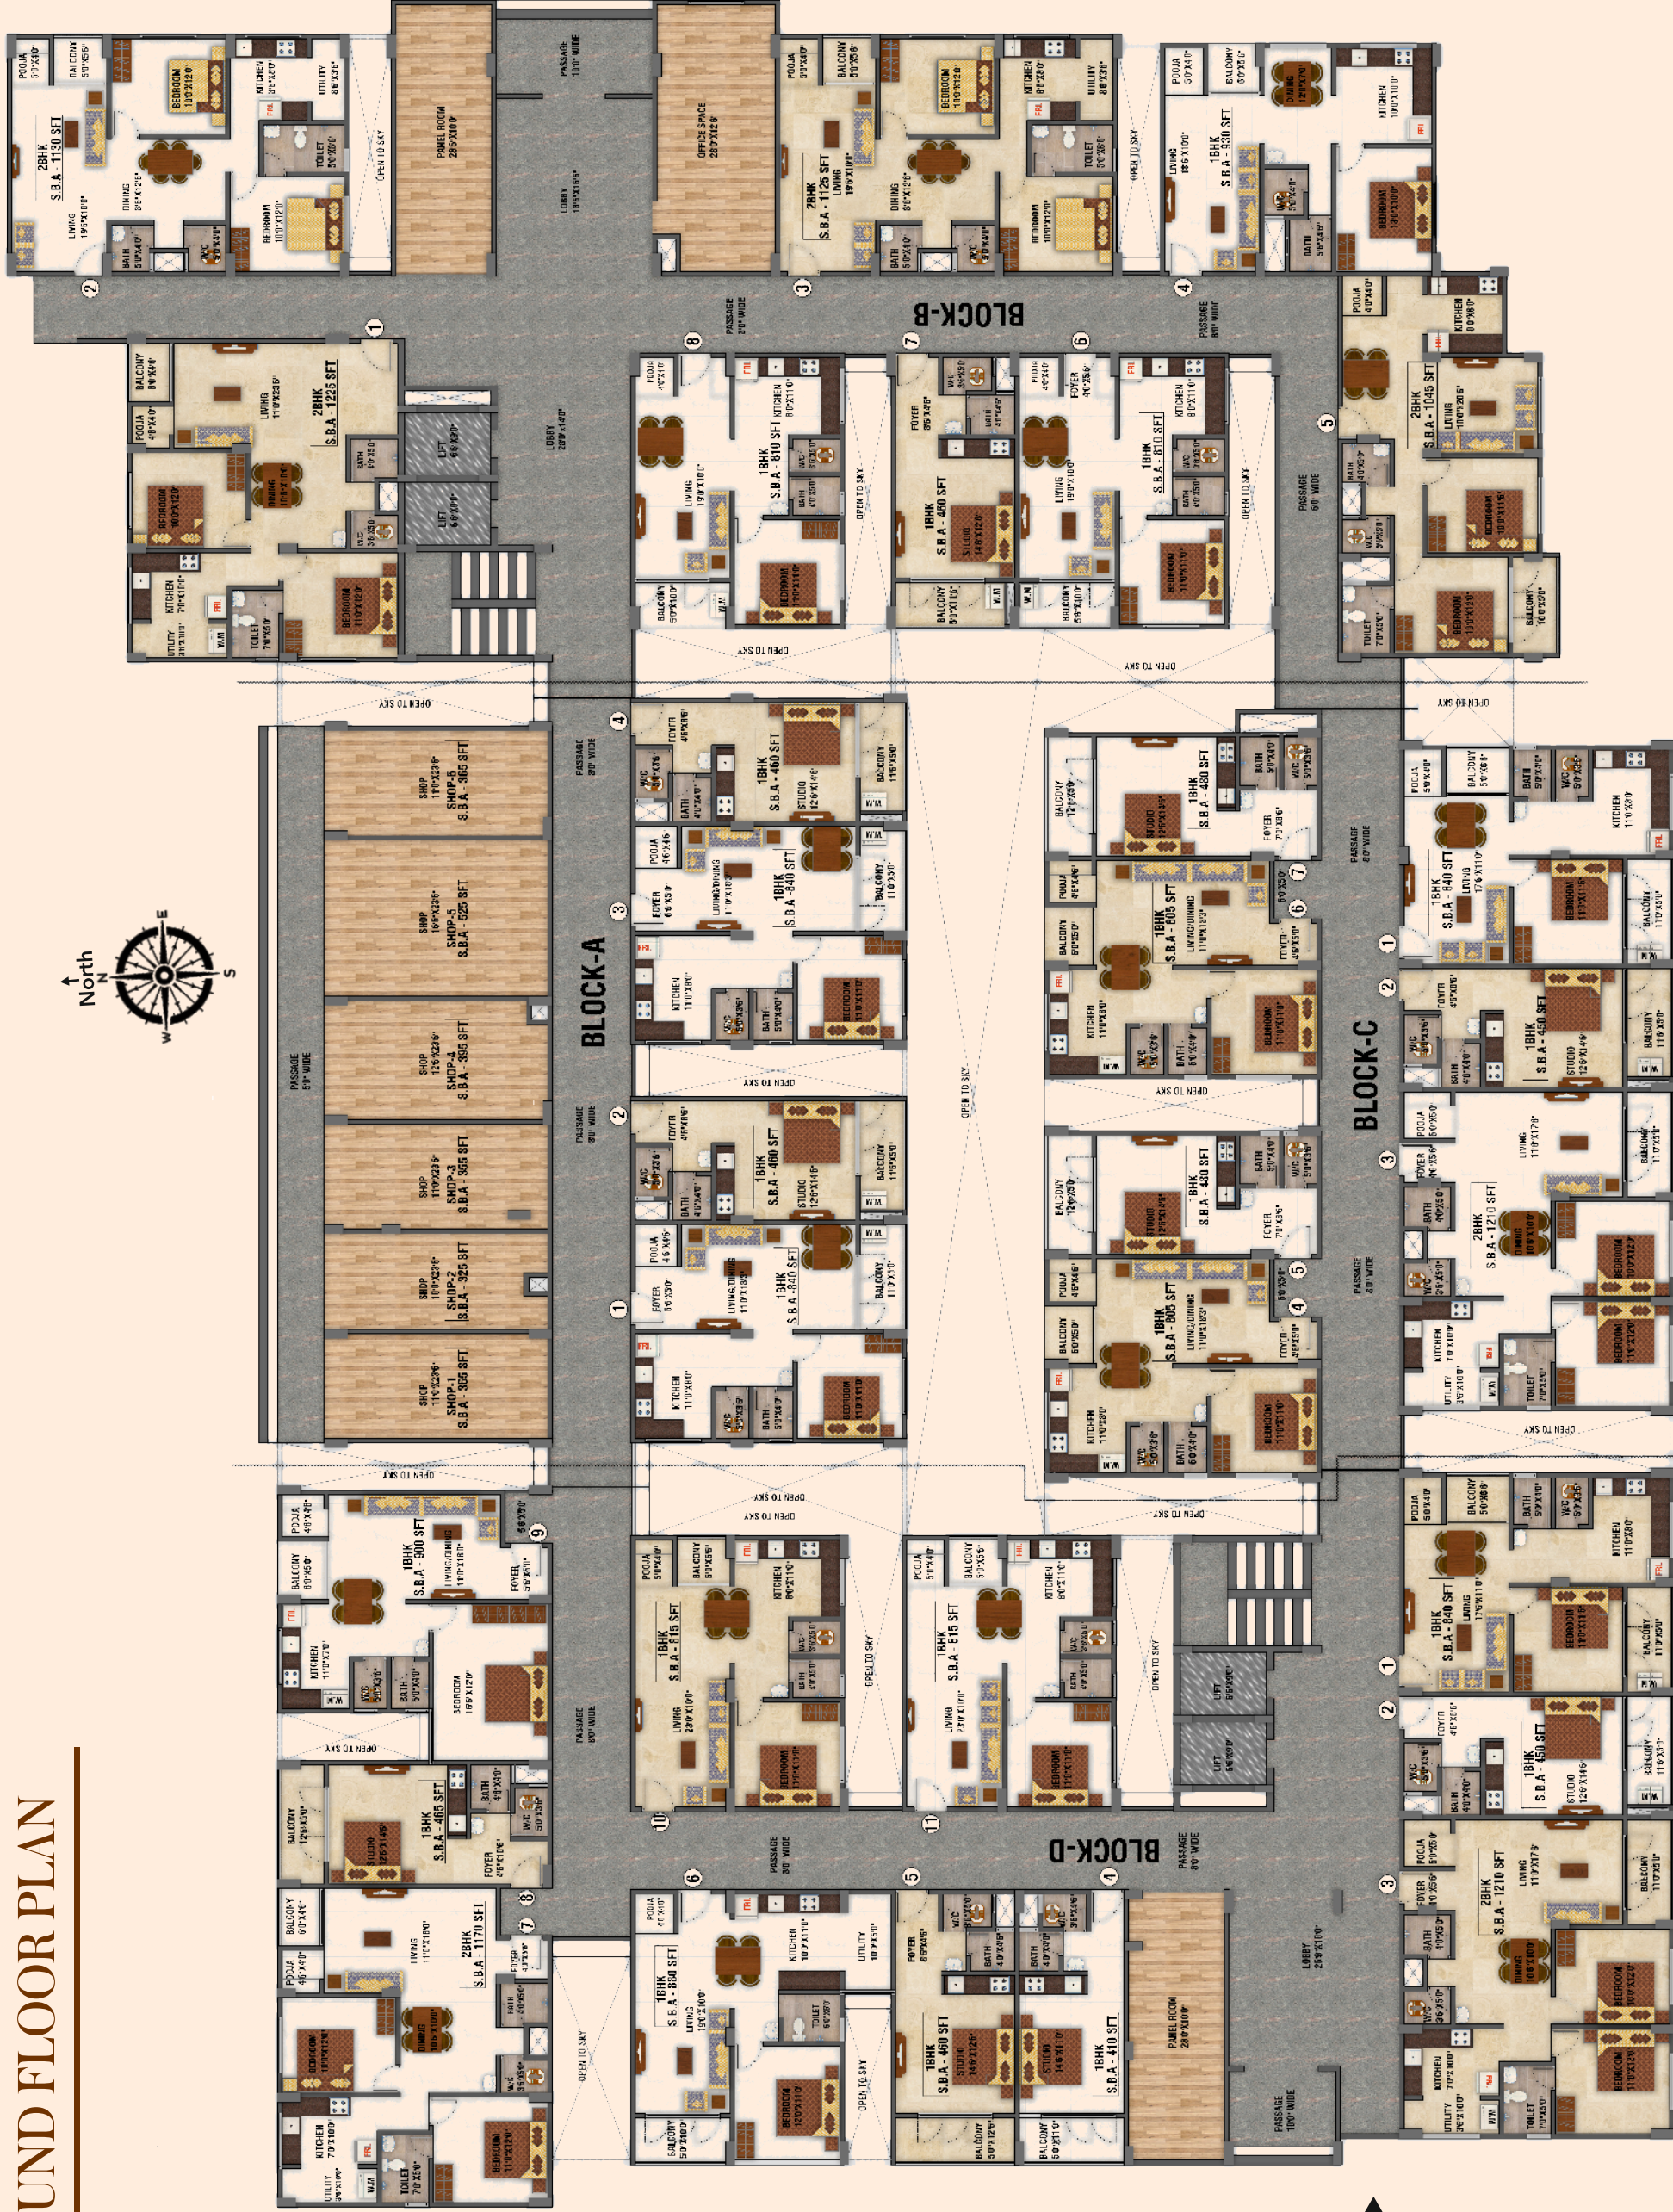

VANI VILASA is a luxury eco-conscious enclave nestled with residential apartments beside the serene Tunga riverfront, offering you a haven of beauty and tranquility with abundant space and modern comfort. VANI VILASA has been planned and strategically chosen in its location in such a way that it not only surrounds the entire holy and scenic views of Sringeri town, but will undoubtedly leave an indelible impression in the minds of residents that it is truly the choice for peaceful living with modern amenities amidst a serene and divine atmosphere.
